

Absolute Smart Vertical

Absolute Smart vertical

*For trapezoidal model and double door version please contact technical department.

ATTENTION
for the models with three sides and the trapezoidal one it is compulsory to specify the opening direction when ordering.

Single door

PASSAGE OPENING L	PASSAGE OPENING h	C	HT 4 SIDES	HT 3 SIDES
300-700	300-600	370-770	370-670	335-635
	601-900		671-970	636-935
	901-1200		971-1270	936-1235
	1201-1500		1271-1570	1236-1535
	1501-1800		1571-1870	1536-1835
	1801-2100		1871-2170	1836-2135

Hinges

- n. 02 (H) 300 ÷ 700 mm
- n. 03 (H) 701 ÷ 1200 mm
- n. 04 (H) 1201 ÷ 1800 mm
- n. 05 (H) 1801 ÷ 2100 mm

Technical sheet

Overall dimension

Formulas to calculate overall dimension
 $C = L + 70$
 $HT = H + 35$ (3 sides)
 $HT = H + 70$ (4 sides)

Standard equipment

Aluminum frame AW6060; n.01 factory-equipped open/close push accessory, set in the middle of the system height (2 push-pull for systems higher than mm 1000); factory-equipped hinges with 110° opening; wood panel with writing paper cover ready to be varnished.
